Recording Your Test

- Videos used in other competitions **MUST NOT** be used.
- The test area can be an arena or flat surface/grass and must be 20m x 40m. Please mark out the letters round the arena clearly.
- You can use any device (phone/camcorder/tablet) but please make sure the video is of good quality.
- The video clip must have sound and no cuts.
- If it is a sunny day, please ensure the sun is behind the camera or your video will come out too dark to judge.
- The person videoing your test must stand at C. Please stand a little further back (if possible) from the arena so that we can see the whole test. Standing on a tack box will give a better view of the arena.
- Start the video before the horse and rider enters the arena and do not stop videoing until at least 4 seconds after the last halt and salute. Please state the date, Wilmslow Riding Club Dressage, class and name of horse and rider at the beginning of the recording.
- Please try to keep the rider and horse in the centre of the frame and in full view of that part of the arena, especially if making a transition by a marker. Try and zoom when they are at the A end.
- If you are videoing with your phone or tablet, please have the video on landscape. (Turn it on its side!).
- Upload your video to any of the following: YouTube, Dropbox, Facebook.
- Add the URL when making your entry on Horsemonkey or send URL to ask@wilmslowridingclub.co.uk if making a paper entry.
